January gets even better... Become a member today!

Clean, Pure and Safe!

Why Become a Member?

A new year means another year of making sure that you’re receiving the highest class of water quality treatment and news. This can be achieved by registering for an OWQA Membership.

The benefits of an OWQA Membership range from legal services to our library of water quality resources available on our website. OWQA is dedicated to making sure that our members are taking the proper steps to treat their water. Below are a few more ways OWQA can assure your water is safe:

• Stay informed about information from the voice of the water quality improvement industry

• Receive monthly newsletters to stay up to date on how to properly treat your water

• Be invited to our 2018 Annual Meeting and Exhibition

• Become fully engaged with state agencies such as the Environmental Protection Agency and Department of Natural Resources
